

iM Global Partner appoints Olivier Paille as Director – Compliance and Risk

Paris, 20th, April 2020

iM Global Partner announces the appointment of Olivier Paille as Director – Compliance and Risk. He will be notably monitor the risk management and compliance for the OYSTER fund range.

Following the early February announcement of the acquisition of SYZ Asset Management (Luxembourg)¹ and the integration of the OYSTER fund range into its international distribution platform, iM Global Partner announces the recruitment of Olivier Paille to enhance the risk function of iM Global Partner at an international level and support the development of the Oyster Range.

Based in Paris, Olivier Paille monitors the risk and compliance for iM Global Partner and will consequently cover the risk management and the compliance for the OYSTER fund range. Olivier reports to Philippe Couvrecelle (CEO).

Olivier Paille was Senior Expertise Risk Manager covering Multi Asset & Client Solutions (MACS), Trading & Security Financing and Responsible Investment activities at AXA Investment Managers for a duration of 5 years prior to joining iM Global Partner in early 2020. He occupied the function of Senior Consultant for various financial institutions at Hiram Finance from 2013 to 2015. Olivier has a significant track record in the field of investment banking in the Cross Asset Pricing and New Products desk at Société Générale (SGCIB) from 2005 to 2012. He began his career as an analyst at Allianz France in 2003.

Olivier is a graduate of both Ecole Polytechnique and ENSAE, with a Master in Statistics, Finance and Economics.

Philippe Couvrecelle, Founder and CEO of iM Global Partner, comments: “We are now working in integrating the Oyster Range in our distribution platform with the objective to develop and strengthen it, adding some new funds and expertises. With the arrival of Olivier Paille, we adapt our risk function to the growth of our business on the distribution side, adding capabilities to manage a worldwide range exposed to international asset classes”
