

iM Global Partner appoints Luc Dumontier as Chief Investment Officer

Paris - September 24th, 2025

iM Global Partner ([iMGP](#)) announces the appointment of Luc Dumontier as Managing Director - CIO Global Asset Management.

Based in Paris, Luc will lead iM Global Partner's global asset management team, with responsibility for overseeing fund management and further developing the firm's fund range (UCITS and US Funds).

Luc brings more than 25 years of investment management experience spanning all the major asset classes as well as alternative strategies. He joins from Ossiam, where he was Managing Partner - Head of Investments and Operations, overseeing investment, research, product positioning and structuring, and operations divisions. Prior to this, he was Head of Factor Investing at LFIS Capital.

He started his career at Sinopia Asset Management as an Equity Fund Manager before becoming Head of Absolute Return. After Sinopia was integrated into HSBC Global Asset Management, he became Head of Global Macro and Absolute Return.

Luc holds Masters degrees in Economics, and Money and Finance from the University of Paris 1 Panthéon-Sorbonne.

Philippe Couvrecelle, Founder and CEO of iM Global Partner, said: "Luc has a wealth of knowledge in asset management, and I am very happy that he has joined the iM Global Partner team. He brings extensive experience in investing across asset classes through a variety of strategies, particularly in alternatives and factor investing, which align perfectly with our strategic ambitions. He also has an impressive track record of developing products and strategies that have successfully attracted significant assets. I look forward to working closely with Luc as the company enters its next phase of growth."

Luc Dumontier, Managing Director - CIO Asset Management, added: "I am very excited to join iM Global Partner at this point in its impressive growth journey. It was clear to me from the

outset that the firm has a highly collaborative and entrepreneurial environment, enabling ideas to be executed quickly and effectively. This is an exciting company with a great collection of Partners, and I look forward to working with Philippe and the team to take our investment capabilities to the next level.”
